

Returns, Cancellations & Delivery Policy

RETURNS

-) Only goods from within the FloMAX Catalogue will be considered for return. Non-Catalogue items are non-returnable unless faulty.
-) Requests to return goods must be made within 7 days from date of delivery note or 21 days from order date, whichever is sooner.
-) Goods must be returned at the buyer's expense. We do not offer a collection service for returns.
-) If the return is agreed, the original shipping charge will not be credited. Credit will be issued for the returned goods only, and any previously agreed additional charges, will still be payable by the customer.
-) Returned goods must be unused, in their original packaging, and in perfect working order.
-) Pneumatics reserve the right to decline any returns requests, especially requests for return of large quantity orders specifically ordered for your requirement.
-) Goods are not to be returned without an authorised returns note from Pneumatics.
-) Any returned items must be accompanied by a Pneumatics returns note, failure to add this makes the return void.
-) Signed acceptance of the returned parcel at our Goods Inwards Department, does not constitute agreement to accept the goods back for return.

CANCELLATIONS

-) Any request to cancel an order / back order must be made in writing and faxed to 01-4568108, or emailed to sales@pneumatics.ie.
-) If accepted, a cancellation note will be issued and is to be retained by the customer for reference as credits will not be issued without it.
-) Non-Catalogue items cannot be cancelled, under any circumstances.
-) Orders to be shipped directly from manufacturer must be cancelled within 1 hour. In any case, cancellations will not be accepted if the goods have been dispatched by the manufacturer. Pneumatics will not accept any cancellation if a manufacturer extends the expected or promised date.
